The term "Superintendent" is used in Sec 7 of the Police Regn and such an officer is to be appointed to the charge of a "District" which, under the Regn includes "a portion of a revenue district". The Regulation makes no distinction between the powers and duties of a Supt of a dist and those of an Asst Supt. The obvious influence is that the creation of such ~~positions~~ from creation of an office of this last designation was with reference to considerations regarding the status of the officers to be appointed & the magnitude and importance of the charges to which officers were to be posted.

In any case the Regn does not

FROM

D. Devaraj Urs Esquire,
Inspector-General of Police in Mysore.

To

C.S.Balasundaram Iyer Esquire, B.A.,
Offg: *Secretary to the Government of H. H. the Maharaja of Mysore,*
General and Revenue Departments

Sir,

I have the honor to forward herewith for such orders as the Government deem necessary copies of the marginally noted references from the Deputy Commissioner, Mysore District, and the Assistant Superintendent of Police, French Rocks, suggesting the desirability of changing the designation of the Assistant Superintendent of Police, French Rocks.

I have the honor to be,

Sir,

Your most obedient servant,

for Inspector-General of Police.

S.S.G.

No.588 dated 30-1-1911 from the Assistant Superintendent of Police, French Rocks.

No.535 dated 21-7-1911 from the Deputy Commissioner Mysore District.

Letter No.588 dated 30-1-1911, from the Assistant Superintendent of Police, French Rocks Circle, to the Deputy Commissioner, Mysore District.

Flag Z p.324 Ellis.

"With reference to Government Proceedings No.T.2284-7/Police107-09-2 dated the 7th February 1910 directing that the Assistant Commissioner doing duty in the Police Department of this Circle should be designated an Assistant Superintendent of Police while those doing duty in District Head Quarters should be called Superintendents of Police, I have the honor to submit as follows:-

French Rocks is a circle in itself independent of the Mysore Circle which cannot be called a District as it is only part of it. The former has five Taluks and a Sub-Taluk whereas the latter Circle has eight Taluks. The former has some of the troublesome Taluks like Seringapatam, Mandya and Malavally. Each circle being independent of the other and both being part of the same District, it is not clear as to how one can be called Superintendent and the other an Assistant Superintendent Both are Assistant Commissioners pakka. No such distinctions exists in the grade of Assistant Commissioners in other Departments by calling one with an inferior name or designation and the others with a superior or higher designation. If one who was not a pakka Assistant Commissioner was appointed to French Rocks then perhaps the two designations might have been appropriate.

Besides, the Regulation (V of 1908) knows only of two classes i.e. District and Assistant Superintendent of Police. The term Superintendent mentioned in the Proceedings of Februai last is not to be found in it. By this it is meant, I think, that a District Superintendent has control over the whole of the District which may have a sub-division under an Assistant Superintendent who will have to be his Sub-ordinate. But it is not the case here. As such the term Assistant Superintendent will have no meaning.

The Government have been pleased to observe that the

latter

latter designation of Assistant Superintendent is ~~practically~~ particularly applicable at present to this Circle only which is said to be a minor charge not equivalent to the charge of a District and to which a junior officer is said to be appointed as a rule. It has been brought to your kind notice more than once that the work in this circle is in no way less than that in a District like Kadur etc., and that the officer here should have the same full ministerial establishment as other District Head Quarter offices have. The representation for the full establishment is not of the present day and officer after officer has pressed for the same on the ground that the work here is of equal magnitude to that in other District offices. This Circle can thus hardly be called a minor charge just as the Mysore Circle can be called a District. This Circle has the same number of Taluks and Sub-Taluk as Kadur and many of the Taluks here Seringapatam, Mandya and Malavally are very troublesome requiring special attention of an experienced officer. The Police Assistant Commissioner of Kadur is designated a District Superintendent though he be an acting Assistant Commissioner, whereas here he is called only an Assistant Superintendent though he be a pakka Assistant Commissioner.

I beg that for the reasons submitted above, the Government may kindly be moved to reconsider their order of the 7th February 1910 in the matter and change the designation of the officer in charge of this Circle."

Letter No.535 dated21st July 1911, from the Deputy Commissioner, Mysore District, to the Inspector-General of Police in Mysore.

"In forwarding herewith letter No.588 dated 1st February 1911 from the Assistant Superintendent of Police, French Rocks suggesting the desirability of changing the designation of the Assistant Superintendent of Police, French Rocks, I have the honor to state that the French Rocks Circle is by no means inferior to any other District or the other Circle of the Mysore District in point of crime and other allied Police matters and the officer that is in charge of the former is of a co-ordinate status with the Superintendents and as such the Designation of the former as the Assistant Superintendent of Police to indicate his supposed subordination to a Superintendent, which does not virtually exist, appears to be a mis-nomer and. I therefore, request, you to kindly move the Government to abolish the distinction that is recently created."
